

Bobtails is a small registered charity helping stray, abandoned and unwanted pet rabbits. It is run from the home of a very dedicated couple in East Ewell who do a wonderful job bringing sick rabbits back to good health and finding suitable new homes. Each rabbit is health checked, vaccinated and neutered before re-homing which is costly and the adoption fees cannot cover the amount spent on vets bills, food and maintenance. Rabbits are not the cheap to keep pet that many people think!

We are helping in a small way, by co-ordinating the collection of used postage stamps which can be sold to raise funds for the charity. We need lots of stamps to be able to raise a decent amount of money. The stamps should be left on their backing paper and torn or cut with at least ½ cm of paper around them. If you don't have time to cut out the stamps, keep the whole envelope and we will do the trimming. Foreign stamps can be worth more so if you have friends or relatives who live abroad, ask them to help too. This is a long term project and there is no start or finish date, so please keep collecting all year.
